Traditional  
Field Archery  
Tournament

**FIELD**  
*hunt*

Wild Field - a tournament in the format of field-archery, that is one of the field disciplines adapted to the standard of WTAF Ukraine. The most unexpected targets, unknown distances, unusual or non-standard conditions for shooting are guaranteed in this kind of competition. The entire route will be laid on rough cross-country areas, this will bring you to the most real hunting conditions and allow you to test your skills on targets according to WTAFU standards.

### **Main provisions of the competition:**

After registration competitors will be divided into groups of 4-7 people.

A team leader, writer and controller will be appointed for each team by organizers. The team leader will be responsible for a group's correct passage of the route and announcement of score points that should be written to the score cards by the writer, and the controller will confirm their authenticity.

### **Tournament regulations:**

Competitions last 2 days and consist of 3 laps.

#### ***1 Day of Competition***

**Lap 1** - 24 confines, arrows shooting with 3 arrows from 3 different markers (stakes). Shooting begins with the first marker and continues until the first hit, just after a hit participant **must** move to the next marker.
